

Research in Germany

would like to invite the participants of the
XII ALAI Congress to the

Research in Germany – Lunch Session

to be held on Wednesday, May 16th, from 12:30 to 13:45 at Caribe 7/8, Iberostar Hotel Cancún.

Representatives of the German Research Foundation (DFG), the German Academic Exchange Service (DAAD) and the Alexander von Humboldt-Foundation (AvH) will provide valuable information on funding schemes and collaboration opportunities. Moreover, two scientists working in the field of Immunology in Germany will give exclusive insights into their experiences in the German research landscape. Afterwards, attendees will get the chance to ask questions and seek individual in-depth advice. The event will be held in English, is free of charge and includes food and beverages.

Programme:

- 12:30 **Welcome and Introduction to the German Research Landscape**
Maxi Neidhardt, DFG Office Latin America
Prof. Dr Michael Schnoor, Department for Molecular Biomedicine at CINVESTAV
- 12:40 **Testimonial I**
